

# St. Pius X Catholic Church

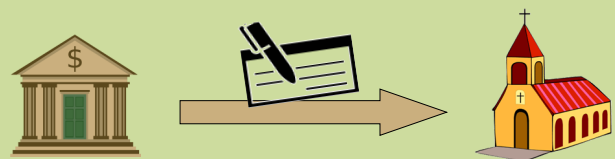

During these days of cancelled Masses and social distancing due to the COVID-19 pandemic, we encourage you to continue your support to St. Pius X Church to the best of your ability. There are several ways you can get your donations to us.

- Online Giving is available using your PC or Smart Phone. From your PC, go to our parish website ([piusxparish.org](http://piusxparish.org)) and click on the link for Online Giving. From there you can establish an account for regular giving or process a one-time gift. From your Smart Phone, download the free Online Giving App to register your information and donate.

- Make your donation from your bank's bill pay service and your bank will mail your donation directly to us. The information you will need is:

St. Pius X Church  
7800 Halprin Drive  
Norfolk, VA 23518

- Place your donation in an envelope and drop it in the mail slot in the Parish Office door. Staff is working each day to ensure that vital services are provided and will be there to process donations.

The parish needs are fully supported by your generous gifts. Thank you for your continued support. Please pray for those affected by COVID-19 and their caregivers.
